

Dear Parents/ Guardians,

First let me welcome you and your child to the 4th grade here at Bregy!!! My name is Mrs. Woolbert and I will be teaching your child for this school year. I have been teaching 4th grade for 23 years and have been at Bregy for 19 of those years.

We obviously don't know what September will bring, but we do know that instruction will begin as normal. If we begin virtually, the difference will be mandated hours and work, so please know, students will be expected to have a stricter schedule.

4th grade is a BIG transition year. Your children will go from a "Learning to Read" model, to a "Reading to Learn" model. They will have much more ownership in their learning and growth.

I look forward to meeting with all of you to discuss more in detail the year ahead. Remember, ANYONE can achieve, some may just need a bigger push to get there. TOGETHER, we will all achieve greatness this year!!!!

Thank you so much,

Mrs. Woolbert

This is my Google number and will be available after August 10th

SUPPLIES

I am happy to say that friends and family member of mine have donated supplies to our class. People are truly generous during this time. With that said, the only supplies you will need to get are things like pencils, crayons, markers and some Expo markers.
